

ICF Board Promises and Agreements: Creating Intelligent Change

As an ICF Leader, I will mindfully and transparently:

Set Bold Strategic Direction with Integrity and Accountability

- Remember who we serve and why
- Think systemically, speak and act courageously

Be Respectful and Cultivate Trust

- Listen to learn, and express to explore with an open heart, mind and gut
- Embrace our similarities and differences to embody a global mindset

Get the Work Done Collaboratively

- Make decisions and progress towards agreed priorities and keep commitments
- Be intentional in mine and our participation
