Taskforce on Program Accreditation

Purpose & Scope

Purpose:

- Articulate an envisioned future for accrediting curriculum, the institutions that offer it, and the personnel that deliver it
- Recommendations made will allow ICF Coach Training to scale the coaching field to fit the future, 10 to 15 years from now

Scope:

- Review current curriculum and program accreditation policies and processes in the context of international standards for best practice in accreditation
- Make recommendations to the ICF Coach Training Board that enable coach training institutions to adapt, revise and/or amend to most effectively train and educate future coaches

Vision

- Evolve and innovate our current global program accreditation model to set highest standards for coach specific training and establish ICF as the standard-bearer for excellence
- Lead the way for the education and training of current and future coaches through ICF accredited curriculum and providers
