To be eligible for the MCC, you must document completion of at least 200 hours of coach-specific training with robust documentation for any non-ICF accredited program(s). The education hours may come from ICF approved providers (Level 1, Level 2, ACSTH, ACTP and/or CCE) or from providers that have not been approved in advance by the ICF.

Of the 200 hours required, at least 160 of the hours must be:

- Student contact hours – clock hours spent in synchronous (real-time) interactions between faculty and students. This may include time spent in direct instruction (voice-to-voice or in-person training), real-time discussions, observation and feedback of practice coaching sessions, and mentoring students.
- Coach-specific education developed and delivered based on the ICF Core Competencies (all ICF Core Competencies must be covered).

Of the 200 hours required, no more than 40 of the hours may be:

- Homework/Independent Study – clock hours spent outside of real-time interaction between faculty and students (asynchronous). These may include outside reading, writing, research, journaling, and various other activities that may occur outside of the synchronous setting. All asynchronous hours must be part of the program and require some method of validating that the activity was completed by the student.

Note that you are required to upload a certificate or letter from each program you completed indicating the name of the program, dates of attendance, and total hours completed.

You will upload your certificate and any required supplementary documentation for each education program you entered on the next tab, labeled "Education Documentation." Once you have entered all of your coach training, please click on the "Education Documentation" tab to continue your application.

Session Guidelines:

- The performance evaluation must be a complete coaching session (not edited) lasting between 20 and 60 minutes. Those that exceed 60-minutes will not be scored.
- The performance evaluation must be from an actual coaching session between you and a paid or pro bono client (not part of coach training). The client may not be a coach unless they are a regular client

Audio Guidelines:

- The recording must be an audio only file (no video) - MP3, WMA, MP4 or M4A (audio) format. Other formats will not be accepted.
- The audio file must be in one part. Multiple files for one coaching session will not be reviewed.
- The audio file must be 95 megabytes or less. Use a lower bit rate to decrease file size, if needed.
- You must upload the actual audio file. Providing a URL to download or stream audio recordings will not be accepted.

Transcript Guidelines:

- Transcript must be a verbatim, written word-for-word record of the coaching session(s) submitted.
- Transcript must indicate who is speaking—the coach or the client—at any time in the conversation.
- List the coach's statements and the client's statements on separate lines of the transcript.
- Transcript must include timestamps at every change in speaker (coach and client).
- Transcript must be submitted as a Word document (e.g., .doc, .docx)

Having an issue uploading? Please be sure there are no special characters in your document name (ie. ? / | \ ! @ # = \$ % +)

Need to upload a new transcript or audio file? Use the "X" symbol on the incorrect file's line and then use the appropriate link to upload the new file.

ACCPort-CredExam

All credential applicants must pass the ICF Credentialing Exam, which is designed to measure a candidate's proficiency based on the ICF Core Competencies. **NOTE:** *Candidates will receive an invitation to schedule an exam appointment and complete the ICF Credentialing Exam after the application has been submitted and the review is complete.*

To **complete this tab and submit your application**, please click on the "Enter Exam Information" link below. You will be asked to enter your legal name and advise if you will be requesting a reasonable accommodation to access the exam due to a disability or qualifying medical condition.

The name you enter must **EXACTLY MATCH** your name as it appears on your government-issued identification, which you will present during the check-in process at your exam appointment. Please note that this will not update your name as listed in your ICF Profile.

General Exam Information

ICF Credentials and Standards has partnered with Pearson VUE to deliver the ICF Credentialing Exam through a proctored testing environment. The exam may be taken in person at one of Pearson VUE's testing centers (**Locate a Testing Center near you**), or remotely through Pearson OnVUE, **a live, remote-proctored testing service** that allows candidates to test from their home or office while being monitored by an online proctor. **Learn More About ICF Credentialing Exam Options and Procedures.**

The ICF Credentialing Exam is available in English with language aids in Spanish and Turkish. Language aids in Arabic, Chinese (Simplified), French, Italian, Japanese, Russian and Swedish will be available in the near future.

If the ICF Credentialing Exam is not offered in a candidate's primary language, the candidate is located in a non-English speaking country, and the candidate completes the English form of the ICF Credentialing Exam, a candidate will receive an automatic time extension of 60 minutes to complete the exam. If the Exam is not offered in your language, **Language Assistance is available.**

Accommodation Requests

Individuals with a documented disability, handicap, or other condition that impairs their ability to take the exam may request a reasonable accommodation, as required by the Americans with Disabilities Act (ADA). Candidates who require arrangements to take the exam must submit the ICF Exam Accommodations Request Form, along with the required supporting documentation verifying the candidate's disability or qualifying medical condition.

Candidates may also be approved for exam accommodation for documented, qualifying medical conditions that may be temporary, such as pregnancy, injury, or impairment following surgery.

Approved accommodations for candidates with disabilities or qualifying medical conditions are provided at no cost to the candidate. **Learn More About Exam Accommodations.** If an accommodation is requested, you will receive an email from ICF with more information and a link to the page to upload your accommodation document(s).

Enter Exam Information

The Exam tab will provide a brief synopsis of the Credentialing Exam procedures.

You will be sent information on taking the Exam once the review of your application has been completed and all is in order.
