Welcome and Introduction

Introduction

We applaud your decision to pursue the ICF Advanced Certification in Team Coaching (ACTC) and look forward to supporting you along the way! By embarking on this journey, you are demonstrating your commitment to meeting the highest standards for professional and ethical practice in coaching, as well as your advanced knowledge, skill and competence in team coaching practice.

How to Use the Candidate Guide for ACTC Candidates

The ACTC Candidate Guide is intended for those pursuing the ICF ACTC credential. Please refer to other ICF Candidate Guides if interested in other ICF credential offerings.

This Candidate Guide contains information about:

- Eligibility requirements.
- How to submit the application.
- The exam processes
- What to expect at the testing center or online testing
- What to expect after the exam.

All applicants for the ACTC should read this guide before beginning their application. Applicants should use this resource as a source of guidance and direction in navigating the certification process.

ACTC applicants must adhere to all policies, procedures, and deadlines outlined in this guide. ICF Credentials and Standards policies and procedures are designed to protect exam content, maintain integrity of the certification process, and ensure exam fairness and validity for all candidates and credential-holders.

Much of the information included in this guide is also available on the [ICF website](#).

Purpose of the ICF Credentials

All ICF credentials are designed with a twofold purpose:

1. ICF credentials protect and serve consumers by requiring coaches to undertake rigorous preparation and education to learn the qualities of effective coaching, which serve as the foundation for coaching practice and the high standards of ethical and professional established by ICF.
2. ICF credentials measure, recognize, and certify individual coaches for their achievements in meeting the high standards of professional practice, including the ICF Core Competencies.

Value of the ICF Credentials

Anyone can call themselves a coach. But ICF certified coaches are professionals who have met stringent education and experience requirements and have demonstrated a thorough understanding of the coaching competencies that set the standard in the profession. Additionally, they adhere to strict ethical guidelines as part of ICF's mission to protect and serve coaching consumers.

With the ACTC, team coaches prove they are competent and capable of providing the complex skills required for effective team coaching, including:

- Distinguishing team coaching from other team development modalities
- Managing the complex dynamics and patterns unique to teams
- Partnering with a variety of stakeholders to establish team coaching agreements
- Supporting teams in the development of effective communication and collaboration skills
- Partnering with teams to develop a sense of common identity and purpose
- Collaborating with teams to support conflict resolution
- Promoting a team's autonomy and long-term sustainability

Statement of Non-Discrimination

The ICF endorses the principles of equal opportunity. Eligibility criteria for ICF credentials are applied equally to all individuals regardless of age, race, religion, gender, national origin, veteran status, or disability as defined by and in compliance with the laws of the United States of America.

Eligibility for the ACTC

To Be Eligible to Apply for the ACTC

ACTC Application Options

ACTC Application Paths

There are three application paths for those seeking the ACTC. All paths contain the same requirements and lead to the same certification. However, the most appropriate path for an individual applicant is determined by the source of the experience and education completed. Review the requirements below when determining which path best fits.

General Team Coaching Education

Apply using at least 60 hours of team coaching education from any education program that is not an ICF Advanced Accreditation in Team Coaching program.

ICF Accredited Team Coaching Certificate Completion

Apply with a certificate of completion from an ICF Advanced Accredited Team Coaching (AATC) educational program, which includes the required 60 hours of Team Coaching education and the five (5) hours of coaching supervision.

Prior Learning Through Team Coaching Experience

Apply using your prior team coaching experience (10 engagements with three completed five years prior to submitting application), 10 hours of coaching supervision, and at least 30 hours of team coaching education.

Application Option Table

	General Team Coaching Education	ICF Accredited Team Coaching Certificate Completion	Prior Learning Through Team Coaching Experience

Completing the Application

Completing the Online Application

Applicants must apply using the ACTC application forms available on the ICF website. The online application is designed to guide you through each step in the application process, keep personal information secure, and allow you to monitor the status of your application following submission.

To begin the credential application process, follow these steps:

- Go to the ACTC page of the [website](#).
- Scroll down to the Create Application section.
- Select Option 1, 2, or 3, per your experience/education eligibility.

To start your application, click on the option that is best for you. You may be asked to log in to your ICF account or create a new account. ICF members should use their member login to receive a discount on their credential application. Non-members will be asked to create a new account (creating a new account does not require you to purchase an ICF membership).

Engagements occurring within the five years preceding the application start date will be considered to fulfill the experience requirements. Candidates are advised to delay creating their application until all relevant engagements are completed. Engagements taking place after the application start date cannot be included in the count.

However, you are not required to complete the application requirements in any specific order, but you will need to complete all requirements to submit your application. ICF staff will not begin the review of your application or schedule exams until all parts of your application have been completed and submitted.

As part of the application process, you are required to attest that all information provided in the online application is complete and accurate. If you provide false, misleading, or inaccurate information in your application, you are subject to denial and/or revocation of an ICF credential and may be prohibited from reapplying for up to five (5) years.

Application Audit

ICF staff will review all applications and will directly contact you to provide any missing or incomplete information in the application. All applications are subject to audit and verification. If selected for audit, an application cannot be approved until the audit is satisfactorily concluded.

Coaches selected for audit will be required to access the contact information for their clients or, for confidential internal or third-party coaching, an individual within the organization who is authorized to verify their coaching hours. Coaches should obtain and document clients' consent to store their information, have a policy on how that information will be protected and maintained, and have a system in place for tracking relevant data. However, applicants selected for audit will not submit client logs directly to ICF.

ICF Credential Refund Policy

Application fees are nonrefundable once an application is submitted. In the event of a medical or personal emergency, ICF will consider a refund minus a \$50 administrative fee within 15 business days of the date of submission. Requests must include supporting documentation regarding the nature of the medical or personal emergency and will be reviewed on a case-by-case basis.

ICF retains sole and reasonable discretion in the granting of a refund under the Credential Refund Policy and may require the applicant to provide additional documentation to support their request.

Legal Restrictions

As U.S.-based organizations, ICF Credentials and Standards and Pearson VUE are subject to and must comply with international trade sanctions laws and regulations imposed by the U.S. government (Office of Foreign Assets Control). These sanctions regulations prohibit ICF Credentials and Standards from providing certain products and services — including exam administration — to individuals or organizations in designated countries subject to comprehensive U.S. sanctions, or to individuals identified on the U.S. Treasury Office of Foreign Assets Control (OFAC) List of Specially Designated Nationals and Blocked Persons.

As such, ICF Credentials and Standards is currently prohibited by law to administer the ICF Team Coaching Certification in the following countries and regions subject to comprehensive U.S. sanctions: Cuba, Iran, North Korea, Russia, Sudan, Syria, and the Crimea, Donetsk, and Luhansk regions of Ukraine.

Additionally, Pearson VUE has suspended delivery of all testing services throughout Belarus, including in-person exam at test centers and online testing via OnVUE. Remote test delivery is also unavailable in China due to limited internet and connectivity issues. **NOTE:** *The list of countries may change based on OFAC requirements.*

Prepare for an Exam Appointment

To provide a fair and consistent testing experience for all ICF credential candidates, the ICF Team Coaching Certification Exam is administered in secure testing centers or remotely through Pearson OnVUE, a remote proctored test delivery service, in alignment with global standards for certification exam delivery.

Systems Test

For Remote Testing Only - Candidates must complete a systems test on the device you plan to use to take the exam **prior** to the exam appointment. The system test offers a dry run of the software used during the exam-day experience, to help ensure candidates have technology that will work on exam day. Candidates who have not completed the system test before their appointment will be forced to complete it before connecting with a greeter. Any candidate who fails the system test at that time can contact customer service for next steps.

What to Expect at a Pearson VUE Testing Center

On the day of the exam, candidates are asked to arrive at the designated Pearson VUE testing center at least 30 minutes prior to the scheduled appointment. Candidates who arrive late for an exam appointment will not be permitted to test and will forfeit exam fees.

For candidates completing the exam at a Pearson VUE test center, arriving 30 minutes early allows the candidate to sign in, present required identification, take a required check-in photo, and safely store any personal items in a locker before the designated start time of the exam.

Upon arrival, candidates will be asked to sign in at the testing center and provide two forms of identification. Candidates may also be asked to provide their exam confirmation. The test center administrator will provide candidates with a locker and key and request that any personal items are stored in the locker during the exam.

Before entering the testing room, candidates will be asked to empty and turn out their pockets, roll up their sleeves and remove eyeglasses for inspection. This is a requirement for all candidates testing at the test center and is designed to ensure the security of all exams being administered at the test center.

A palm vein scan may be taken when you leave, and again when you re-enter the testing room. If this is requested, you must comply with the request.

To leave the testing room during the scheduled break, or to take an unscheduled break during the exam, candidates should raise their hand and wait for the proctor to escort them out of the testing room. Candidates will be asked to complete security checks when returning to the testing room.

Upon completion of the exam, candidates may raise their hand to let the proctor know they are finished. Candidates will receive preliminary score reports prior to leaving the test center.

Exam Identification Requirements

Upon arrival at the exam appointment, all candidates must provide proof of identification with two forms of original, valid identification. The primary identification should be an unexpired, original government-issued photo ID with a signature. The secondary identification should include the name and signature or the name and photo of the candidate. The first and last name used to register for the exam must match exactly the first and last name on the ID that is presented on test day.

All IDs should be issued by the country in which the candidate is testing. Alternatively, an International Travel Passport from the candidate's country of citizenship, along with a secondary ID may be used. To review Pearson VUE's full Identification Policy, please visit [Pearson's Global ID Policy](#).

What to Expect During a Remote Testing Appointment

Prior to The Exam

Candidates are required to complete a systems test on the device you plan to use to take the exam **prior** to the exam appointment. Candidates who have not completed the system test before their appointment will be required to complete it before connecting with a greeter. Any candidate who fails the system test at that time can contact customer service for next steps.

[Access the system test](#)

On The Day of The Exam

On the day of the exam, it is important for remote testing candidates to find a quiet, private space with a strong, reliable internet connection to complete the exam. No other individuals may pass through the candidate's testing space once the exam has begun.

Candidates should log in to the Pearson VUE platform 30 minutes prior to the exam appointment and click the Begin Exam button to start the check-in process. Candidates will be asked to run a final system check and shut down all other applications that may be running on the computer.

On Microsoft Windows, press **Ctrl+Alt+Del** to access the Task Manager and shut down running applications.

On a Mac, press **Command+Option+Esc** to access Force Quit.

Once all applications have been shut down, candidates will be able to run the OnVUE program manually either from the screen or the download folder.

Please note that OnVUE proctors will communicate with candidates in English only.

Exam Identification Requirements

Prior to beginning the exam, candidates will be asked to take a photo of themselves, their ID, and the testing space. **The testing space must be clear and free of any materials.**

Before testing online, you'll need to provide identification (ID) that meets the requirements outlined on this page.

- All IDs must be valid, government-issued originals (i.e., not a photocopy).
- ID must include the test-taker's name and a recent, recognizable photo.
- The first and last name on the ID must match the first and last name used to register for the exam.

The following are acceptable forms of government-issued identification:

- Valid driver's license
- Valid passport
- Valid national identification card

The following represent acceptable forms of secondary identification:

- Valid employee ID
- Valid student identification card
- Valid credit card with signature
- Valid bank (ATM) card

The following are unacceptable forms of identification:

- Restricted IDs, such as U.S. Department of Defense (DOD), Common Access Card (CAC), or certain secure access IDs.
- Government-issued identification from countries where OnVUE is restricted, including: Belarus, Cuba, Iran, North Korea, Russia, Sudan, Syria, and the Sevastopol/Crimea regions of Ukraine.

All IDs should be issued by the country in which the candidate is testing.

Alternatively, an International Travel Passport from the candidate's country of citizenship, along with a secondary ID may be used. To review Pearson VUE's full Identification Policy, please visit [Pearson's Global ID Policy](#).

A mobile phone can be used to take the required photos, however once the exam has begun, any mobile phones must be placed out of reach. Mobile phones should be placed on "silent" during the exam.

As a final step in the check-in process, candidates will be asked to agree to terms and conditions and verify the exam for which they are registered.

ONVUE Testing Security

Once the exam has started, the candidate must adhere to the following testing requirements. Failure to do so may result in the cancellation of the exam and forfeiture of the candidate's exam fees.

- **Candidates must remain within the designated testing space and in view of the webcam at all times during the exam, with the exception of the scheduled break.** Candidates may not cover or move the webcam at any time during the exam.
- Candidates may not communicate with anyone other than the exam proctor once the exam has begun. No one may enter or pass through the testing space during the exam.
- Candidates may not read the exam questions aloud, speak, cover their mouth, or hide their face during the exam.
- Candidates may adjust the text size of the exam questions at any time by selecting **CTRL+** to zoom in and **CTRL-** to zoom out. Any other special accommodation, however, must be requested and approved by ICF Credentials and Standards prior to the exam appointment.

Clothing and Accessories

You must be fully clothed throughout your exam. You may not wear the following during your exam: coats or jackets, or barrettes or hair clips larger than ¼ inch (½ centimeter) wide. While taking your exam, you may wear head scarves, hair wraps, billed caps (e.g., baseball caps), brimmed hats (e.g., fedoras), and religious apparel. Generally, all head coverings and hat types are allowed as long as your eyes remain visible to the proctor throughout the exam.

Testing Space and Prohibited Items

Choose and prepare your testing space. The place where you'll take your exam is one of your most crucial decisions. First and foremost, you must take your exam in an enclosed, private space that allows you to maintain a strong and stable internet connection.

An ideal testing space will allow you to close all doors to avoid interruptions, since no one else — including children, roommates, colleagues, etc. — may enter or pass through your testing space once you've started your exam.

We do not recommend testing in the following environments:

- Public places like libraries or coffee shops, where other people could easily enter your space and where you would use a shared Wi-Fi connection.
- Hotels, where Wi-Fi connections may be insufficient and don't allow for basic troubleshooting.
- Corporate offices, where firewalls, VPNs, or other security measures may block video streaming.

Within your testing space, your computer screen must be positioned to face you directly, and your background environment cannot jeopardize the integrity of the exam content. For example, your testing space must not allow anyone else to view your screen, so avoid testing near windows or glass partitions. Important: If your testing space allows any other people into the camera's view, you risk exam revocation.

Candidates completing an exam via Pearson's OnVUE system will be required to show that no prohibited materials are accessible within their testing space.

The following items are not allowed in your testing space:

OnVUE Candidate Technical Requirements

Pearson strongly recommends using equipment that meets or exceeds the following recommended specifications. The minimum requirements will change periodically based on the needs of our exam sponsors.

Please Note: *An Internet connection disruption can suspend the test session, resulting in a failed exam. By registering for a remote proctored exam, candidates assume all risk associated with their internet connectivity.*

Operating System

Windows 11 & 10 (64-bit) – (excluding 'S Mode') macOS 10.15 and above – (excluding beta versions) **Note:** macOS, starting with Mojave, now requires permission from the user to allow any hardware access to an application, which includes OnVUE (proctorapp). Candidates should be prompted to allow this application.

Note: Windows Operating Systems must pass Genuine Windows Validation. • Windows 8/8.1, Windows 7, Windows Vista, and Windows XP are not supported for exam delivery • Linux/Unix and Chrome based Operating Systems are not supported.

Firewall

Corporate firewalls (including VPNs) or proxies often cause this delivery method to fail. We recommend testing on a personal computer. Work computers generally have more restrictions that may prevent successful delivery. Please take your exam in a setting without a corporate firewall.

RAM

Minimum - OS specified Minimum RAM
Recommended - 4 GB RAM or more

Display

If using an external monitor, you must close your laptop and use an external keyboard, mouse, and webcam. Multiple monitors are forbidden. Touch screens are strictly forbidden.

Supported Internet Browsers

The newest versions of Microsoft Edge, Safari, Chrome, and Firefox, for web registrations or downloading the secure browser.

Internet Connection

For optimal performance, a reliable and stable connection speed of 6 Mbps down and 3 Mbps up is required. We recommend testing on a wired network as opposed to a wireless network. If testing from home, ask others within the household to avoid internet use during your exam session.

Webcam

The webcam may be internal or external. The webcam must be forward-facing and at eye level to ensure your head and shoulders are visible within the webcam. The webcam must remain in front of you and cannot be placed at an angle.

Webcam must have a minimum resolution of 640x480 @ 10 fps. Note: Mobile phones are strictly prohibited as a webcam for exam delivery. Note: Mac OS users may need to allow OnVUE within their System Preferences: Security & Privacy: Privacy settings for camera.

Verify the audio and microphone are not muted. Note: Mac OS users may need to allow OnVUE within their System Preferences: Security & Privacy: Privacy settings for microphone.

Browser Settings

Internet Cookies must be enabled.

Device

All tablets are strictly prohibited, unless they have a physical keyboard and meet the operating system requirements mentioned earlier.

Power

Make sure you are connected to a power source before starting your exam to avoid draining your battery during the exam.

Mobile Phone

You may have the option to use your mobile phone to complete the check-in process. The mobile must meet the following requirements:

- Android (7+, Chrome) or IOS (12+, Safari) operating systems
- A functioning camera with a stable internet connection (mobile phone is only used for completing admission steps, and must not be used during the exam)

Once you have completed the check-in steps, please place your mobile phone out of your arms reach where it is not accessible to you during the exam. As a reminder, phones are a prohibited item and should not be within your reach or visible to you while sitting in front of your computer.

Languages

The ICF Team Coaching Certification Exam is available in English. In addition, language aids are offered in select languages. An exam with language aids features both the original exam item (English) as well as the same item in the language of translation.

Candidates completing the ICF Credentialing Exam with language aids will see the exam instructions and all navigation buttons of the exam are in the language of translation. Each item is presented in the original English form, along with a Translation button that allows the candidate to view the same item and response options in the language of translation.

A list of available ICF Credentialing Exam language aids is [available here](#).

Exam Language Support

Candidates completing the ICF Team Coaching Certification Exam in English as a secondary language will receive an automatic time extension of 60 minutes if exam language aids are not offered in their primary language AND the candidate resides in a non-English speaking country.

Requests for Bilingual Translation Dictionary

Candidates whose primary language is not English may request to use a hard-copy bilingual translation dictionary to support them in taking the exam. Web-based translation dictionaries, software, and smart device applications are not permitted.

The candidate must provide a bilingual translation dictionary that consists only of translations (no definitions may be included) and that is free of any markings or handwritten notes. For exam security purposes, the dictionary provided will be subject to visual inspection by a Pearson VUE proctor during the candidate's exam appointment at a testing center or via remote proctor service. Candidates approved to use a bilingual translation dictionary will also be eligible for extended exam time, not to exceed one hour. This service is provided at no additional charge to the candidate.

To request the use of a bilingual translation dictionary, candidates should complete the **ICF Exam Language Support Request Form** and submit it to support@coachingfederation.org (including "ICF Exam Language Support Request Form" in the subject line) prior to scheduling an exam appointment. ICF is not able to add a language support service to an existing exam appointment.

Requests for Translation Support

Candidates may also submit an **ICF Exam Language Support Request Form** request to the Pearson Translation Support Service to complete the ICF Team Coaching Certification Exam. This service, provided by Pearson VUE, allows a candidate to complete the exam with translation assistance from a Pearson-approved translator. Candidates requesting this service will be charged a fee by Pearson VUE of up to \$1,500 USD to support the translator's services and related expenses.

To request the use of a translator, candidates should complete the **ICF Exam Language Support Request Form** and submit it to support@coachingfederation.org (including "ICF Exam Language Support Request Form" in the subject line) prior to scheduling an exam appointment. ICF is not able to add a language support service to an existing exam appointment.

Exam Accommodations

Reasonable Exam Accommodations for Candidates with Disabilities

ICF Credentials and Standards is committed to ensuring its exams are accessible for all qualified candidates. Individuals with a documented disability, handicap, or other condition that impairs their ability to take an ICF exam may request a reasonable accommodation, as required by the Americans with Disabilities Act (ADA). Candidates may also be approved for exam accommodations for documented, qualifying medical or physical conditions that may be temporary, such as injury, impairment following surgery, or pregnancy.

The purpose of exam accommodations is to provide candidates with full access to the exam, not to ensure completion of the exam or improve candidate performance. Accommodations cannot be made to the actual content of the exam.

Exam accommodations are individualized, considered and approved on a case-by-case basis, and dependent on the nature of the disability or medical condition and the documentation provided. To be considered a qualifying disability, the limitations of the impairment must significantly restrict the individual's major life activities as compared to the abilities of the average person. Non-specific diagnoses such as an individual learning style, learning difference, computer phobias, and test difficulty or test anxiety by themselves do not constitute a disability.

Items listed on the [Pearson VUE Approved Comfort Aids](#) list are pre-approved for exam candidates and do not require submission of the ICF Exam Accommodations Request Form. These items are allowed during testing, however Pearson VUE test center staff or online proctors will ask to visually inspect approved comfort aid items on exam day.

All other testing accommodations must be requested at the time of application submission. Candidates who require arrangements to take the exam must submit the ICF [Exam Accommodations Request Form](#), along with the required supporting documentation, with their ICF application.

All requests for exam accommodations are strictly confidential. Only information pertaining to the candidate's approved accommodation will be shared with testing delivery partners for the purpose of preparing for the candidate's exam appointment.

Common exam accommodations include, but are not limited to:

- Extended time for testing (1 hour, 1.5 time or double time)
- Frequent or unscheduled breaks (available at testing centers only)

- Access to auxiliary items (food, medication, medical devices)
- Adjustable workstation (available at testing centers only)
- Sit/stand workstation (available at testing centers only)
- Zoom text
- Separate testing room (available at testing centers only)
- Provision of a reader and/or scribe (available at testing centers only)
- Special arrangements for nursing mothers

Approved accommodations for candidates with disabilities or qualifying medical conditions are provided at no cost to the candidate.

Certain exam accommodations may only be available in a Pearson VUE testing center. Accommodation requests may require up to 10 business days to coordinate with Pearson VUE for implementation.

Accommodations must be requested at the time of application submission. Candidates who require arrangements to take the exam must submit the ICF Credentialing Exam Accommodations Request Form, along with the required supporting documentation, with their ICF credential application.

Requesting an Exam Accommodation

As a part of the ACTC online application, individuals will indicate if they need to request accommodations. Once the application is submitted, the applicant will receive an email with information and directions to upload the required documentation.

Upon submission, ICF Credentials and Standards will review the requested accommodation and required supplementary documentation and will notify the candidate of ICF Credentials and Standards' decision regarding the requested accommodation(s), including specific accommodations approved (e.g., additional exam time, use of a reader, etc.).

Confirmation of an accommodation request decision must be received before a candidate schedules their exam appointment. **ICF Credentials and Standards is not able to add accommodations to an existing exam appointment.**

ICF Credentials and Standards and its testing partner, Pearson VUE, will make reasonable efforts to provide the requested accommodations to candidates who demonstrate a documented disability, provided the accommodations do not alter or jeopardize exam integrity and security. If the need for an accommodation arises after the submission of the application, the applicant will need to contact examaccommodations@coachingfederation.org and request the ICF exam accommodations form.

Supporting Documentation for Exam Accommodation Requests

Supporting documentation provided by a qualified, professional evaluator (i.e., physician, psychologist, psychiatrist, etc.) verifying the candidate's disability or qualifying medical condition must be submitted with the **ICF Exam Accommodations Request Form**.

A qualified professional is an individual with the credentials, training, and expertise to diagnose the reported disability or qualifying medical condition. This typically includes extensive graduate-level training, such as a doctorate in psychology, clinical psychology, or medicine. The health care professional providing supporting documentation may not be an individual in a personal, familial, supervisory, or other close relationship with the candidate requesting the accommodation.

Supporting documentation from a professional evaluator must meet the following guidelines:

- Must be provided on the qualified professional's letterhead.
- Must include the name, title, and professional credentials of the qualified professional.
- Must include the address, telephone number, and email address of the professional.
- Must include the date of assessment upon which the verification is based.
- Must identify the medical, psychological, educational, or cognitive functional tests that were conducted with the candidate, the results of those tests, and an interpretation of the results.
- Must describe the disability or medical condition of the candidate.
- Must describe the functional limitations of the candidate due to the disability or medical condition and the specific impact on the candidate's daily life activities.
- Must identify specific accommodations that are recommended and describe how each will reduce the impact of the identified limitations for the candidate.

NOTE: Candidates with a prior exam accommodation approval may submit documentation of the prior approval to meet the supporting documentation requirement. No additional documentation from a qualified evaluator is required.

Testing Arrangements for Nursing Mothers

ICF Credentials and Standards supports candidates who require a special arrangement to breastfeed, express, or pump breast milk during their exam. Candidates requiring the Nursing Mothers accommodation must complete the **ICF Exam Accommodations Request Form**.

For more information about special arrangements for nursing mothers at Pearson VUE testing centers worldwide, please visit **Pearson VUE Test Accommodations**.

After the Examination

Exam Scoring

The passing score and all exam results on the ICF Team Coaching Certification Exam are reported as scaled scores. The range of possible scores is 200 to 600, with a passing score of 460. Candidates receive preliminary results immediately after the exam is completed; confirmation of the results is sent within seven (7) business days.

Use of Designation

After passing the ICF Team Coaching Certification Exam and earning the Advanced Certification in Team Coaching, candidates may use the ACTC designation as a professional credential after their names, on resumes, curriculum vitae, employment and other professional records, and on websites and social media platforms. Only current and valid ACTC holders may use the ACTC logo on materials for or promoting the credential-holder. The ACTC certification may not be used by individuals who do not renew after the certification expiration date.

Retake Policy

Candidates who do not achieve a passing score for the ICF Team Coaching Certification Exam may retake the exam. Each exam retake is subject to the ICF exam retake fee of \$105 USD.

Candidates must wait 14 days following their first attempt to retake the exam. For any subsequent attempts, candidates must wait 30 days to retake the exam following their most recent attempt.

Candidates may take an ICF exam up to six times within a 12-month (365 day) period following the date of their first attempt.

Candidates who do not achieve a passing score within the first 12-month period are eligible to retake the exam up to six times during each subsequent 12-month (365 day) period that begins on the anniversary of the candidate's initial exam attempt.

Release of Info / Privacy Policy

ICF Credentials and Standards treats candidate exam results as confidential. Exam results are provided directly to candidates and will not be disclosed to anyone other than the candidate without written permission from the candidate, unless required by law enforcement.

Renewing Your Credential

Renewal Requirements and Application

To maintain your ACTC, you must maintain an active ICF Credential (ACC, PCC, or MCC) and complete 20 Continuing Coach Education (CCE) units in team coaching practice every three years. A minimum of 16 CCEs must be directly applicable to the ICF Team Coaching Competencies. The total required 20 CCE units may also be submitted toward the renewal of the prerequisite ICF Credential, allowing the candidate to count the 20 CCE credits toward both renewals.

Up to 10 hours of Coaching Supervision may be used to fulfill CCE requirements for renewal of the ACTC.

Timelines for Credential Renewal

To maintain an ACTC in good standing, ACTC holders must submit the renewal application and required documentation of CCE units by the expiration date. ICF Credentials and Standards provides all ACTC holders with a 60-day grace period following the credential expiration date, allowing the ACTC-holder to maintain their status while their renewal application is under review.

Failure to submit a renewal application and required documentation of CCE units will result in a lapse of ACTC status following the 60-day grace period. Once lapsed, the ACTC is no longer active, and the coach must discontinue the use of logos and marks.

A coach can renew a lapsed ACTC for up to one year following the expiration date by submitting a renewal application and an additional 1.2 CCE units for each month the ACTC credential is lapsed.

Once a full year has passed from the ACTC expiration date, it is considered fully expired and cannot be renewed. To reinstate an expired ACTC, a coach must submit a new application.

Appeals

Purpose of the Appeals Process

The ICF Credentials and Standards appeals process provides a way for credential applicants, candidates, and credential-holders to formally request reconsideration of an adverse decision made by the organization regarding the individual's eligibility to earn or hold an ICF credential. Typically, appeals would result from an individual being deemed ineligible for a credential or credential renewal, disputes regarding policies and procedures, or where ICF may not have followed documented policies.

Appeal Submissions

Appeal requests are submitted by credential applicants, candidates, or credential-holders using the [Credential Appeal Submission Form](#) within 30 calendar days of receiving an adverse determination. Appeals may only be submitted by the individual who received the adverse determination. Appeals will not be accepted via email or postal mail. Appellants should review all sections of the form, determine the reason(s) for their appeal request, and complete the most relevant section(s) of the form. Appellants must provide evidence supporting the reason for the appeal and the nature of request, including all reasons why the action or decision should be changed.

By submitting the appeal form, the appellant is authorizing ICF Credentials and Standards to conduct an investigation, gather information, and make a determination regarding the appeal request.

Reasons for Appeals

There are six categories of appeals included on the appeal form.

An appeal based on:

1. Eligibility requirements.
2. Performance Evaluation procedures*.
3. ICF Credentialing Exam results**.
4. ICF Credentialing Exam procedures**.
5. Credential renewal requirements.
6. Reasons not included in other form sections.

*Disputes regarding Performance Evaluation results or feedback will not be considered in the appeals process. In these cases, credential candidates should not file an appeal but may request the following options:

Request A Rescore of The Recording(s)

Within six months of receiving a results letter, candidates may contact ICF Credentials and Standards staff to request that the recording(s) submitted with their application be rescored. Candidates must pay a fee of \$150 USD per recording before a rescore is conducted. In cases where the rescore reverses a failed performance evaluation resulting in a pass, the candidate will receive a refund of the rescore fee.

Request A Retake

Within six months of receiving a results letter, candidates may request a retake, allowing them to submit new recordings for evaluation without submitting a new credential application. Candidates must pay a fee of \$150 USD per recording for the scoring of their new recordings, which covers the cost of administering the performance evaluation review with a trained assessor. Regardless of the result, retake fees are not refunded.

Appeals regarding Performance Evaluation procedures undergo review by designated ICF staff and may be directed to the Appeals Committee for their consideration.

**Credential candidates must read and follow policies and procedures for the ICF exams as included on the ICF website. Appeals based on the following reasons are not considered grounds for appeal and will not be considered by the Appeals Committee:

- The examinee's lack of knowledge or understanding of the test administration policies or procedures.
- The examinee's failure to follow examination administration instructions and procedures.
- The examinee's mental state during the exam, including nervousness or anxiety.
- Personal circumstances of the examinee that may have affected the examinee's completion of the exam.
- Examinee errors or omissions related to understanding exam items, or understanding or recording answers, except those caused by circumstances outside the examinee's control.
- Computer-related or technical problems.
- Reasonable and commonly occurring sounds and noises in the testing center or room.
- Late arrival for the test administration appointment or not showing up for the exam administration appointment.
- The validity of the content of the exam.
- The passing score of the exam established by ICF and the process used to determine the passing score.

Review of Appeal Requests

Upon submission of an appeal request, the appellant will receive an automated confirmation that their appeal submission has been received by ICF.

Within 15 business days, designated ICF staff will review the appeal submission and notify the appellant if additional information is needed.

Designated ICF Credentials and Standards staff will review the appeal request and determine the appeal type. There are two types of appeals that may be submitted:

1. **Procedural appeals** - are cases where a clear policy, rule, or standard exists. Procedural appeals allow applicants to contest an adverse decision made in conflict or misalignment with an existing policy, rule, or standard. Appeals contesting the content of existing policies, rules or standards, and resulting adverse decision for the applicant, will not be considered.

Examples of Procedural type appeals may include disputes regarding:

- Pre-requisite credentials.
- Required number of hours of education, experience, or mentor coaching.
- Exam administration procedures.

Designated ICF staff will respond to procedural appeals by conveying the relevant policy/rule to the appellant and will communicate the status of the appeal (denied or accepted) and any next steps available to the appellant.

2. **Judgement appeals** - are cases where a decision may be subject to interpretation and will require consideration by the Appeals Committee.

Examples of Judgment type appeals may include disputes regarding:

- Instances where an appellant believes that certification policies and procedures were not followed.
- Appellant concerns that a conflict of interest or bias influenced a certification decision.
- Unique instances where a certification policy or procedure is unclear or does not exist.

The Appeals Committee will be presented with all Judgment type appeals and will:

- Meet to consider information presented.
- Gather and request additional information as needed.
- Make a determination.

- Prepare a written report that is forwarded to the vice president of ICF Credentials and Standards.

The vice president of ICF Credentials and Standards (or staff designee) will notify the appellant the decision of the committee and any next steps available to the appellant.

While Procedural appeals will be decided by designated CS staff, the Appeals committee will receive a report of all appeals submissions and the resulting determination. Information from this report may be used by the Appeals committee to inform changes to the appeals process and workflow.

Appeals Process Timelines

Within 24 hours of submitting the appeal form, appellants will receive an automated message acknowledging that the form has been received.

Within 15 business days following submission, the appeal request will undergo a preliminary review by staff, and appellants will receive an update and information regarding the next steps in the process. Appellants may be asked to provide additional information regarding the appeal request.

Following the preliminary review period, review may take up to 45 business days for staff or the Appeals Committee to thoroughly review, consider, and make a determination regarding the appeal.

Within 15 business days of a determination, the appellant will receive information regarding the outcome of the appeal and information regarding any next steps that the appellant may wish to take.

Documentation and Reporting

Written records will be created and securely maintained for all Appeals Committee activities. These records include:

- Appeal submissions.
- Notices to appellants.
- Decisions of the designated ICF Credentials and Standards staff.
- Decisions of the Appeals Committee.

There shall be no discriminatory action against the appellant.

Other Policy Information for ACTC Candidates

The ICF Definition of Team Coaching

ICF defines team coaching as partnering in a co-creative and reflective process with a team on its dynamics and relationships in a way that inspires them to maximize their abilities and potential in order to reach their common purpose and shared goals.

Having a clear understanding of the ICF definition of team coaching and how it guides the work of professional team coaches is critical for individuals who are pursuing an ICF ACTC. It serves as a guide in differentiating team coaching from other modalities and professions.

The ICF Team Coaching Competencies

Team coaching empowers teams to work toward continued high performance and ongoing development, requiring innovation, flexibility, adaptability and goal alignment – all traits that coaching helps support. To define and guide this growing discipline, ICF Credentials and Standards developed the **Team Coaching Competency** along with the ICF Core Competencies for coaching, sets the standard for team coaching practice and serves as the foundation for the ICF Advanced Certification in Team Coaching (ACTC).

The ICF Code of Ethics

The ICF Code of Ethics describes the ICF core values, ethical principles, and ethical standards of behavior for all ICF professionals. Candidates for ICF credentials must have a clear understanding of coaching ethics and how they are applied in any coaching related interactions.

Please review the Code of Ethics in Appendix B.

ICF Credentials and Standards Policies and Procedures

All policies and procedures have been adopted by the ICF Credentials and Standards Global Board of Directors for the operation of the ICF credentialing program. The policies listed below are included as a reference. For assistance or questions, please contact the ICF Credentials and Standards staff team at support@coachingfederation.org.

Scope of the ICF Credentials

ICF credentials are intended for individuals who provide coaching services to their clients in alignment with the ICF definition of coaching, ICF Core Competencies, and ICF Code of Ethics. The purpose of all ICF credentials is to assure that those holding the credential have the skills, knowledge, and professional capability needed to serve their clients.

Secure Storage of Confidential Information

All confidential application materials will be retained in a secure manner as required by the ICF security and record retention policies. Credentials and Standards staff keep confidential and secure all submitted application materials. ICF Credential application materials, are maintained in a secure database and are securely destroyed six months after an application has been processed, unless the applicant provides explicit permission for ICF to retain materials for research and training purposes.

Rationale for Eligibility Requirements

Eligibility requirements for ICF credentials are derived from a variety of sources, including job analysis, subject matter expert (SME) input, exam results, market research, and demographic data.

Information gained from SMEs, supported by data from the ICF Coaching Job Analysis (2019), showed that knowledge of coaching ethics is a critical element of coaching practice.

Input from SMEs and analysis of assessment and performance exam results has shown that hours of education specific to the ICF Team Coaching Competencies, ICF Core Competencies, ICF definition of coaching, and ICF Code of Ethics is necessary to ensure that coaches have the knowledge and skills required to work with their clients effectively.

Input from SMEs suggests that experience working with clients is critical in the development of team coaching skills and that skills diminish when coaches are not actively working with clients.

Market research and input from SMEs support the use of knowledge and performance exams as a way for a candidate to objectively demonstrate their knowledge of coaching and skills as a coach.

ICF Membership Not Required

Applicants are not required to be members of ICF Professional Coaches or ICF Coaching in Organizations or any other organization. Applicants who are members of ICF Professional Coaches or ICF Coaching in Organizations shall not be granted an advantage or be subject to additional requirements when applying for or holding an ICF credential.

Prohibition of Grandfathering

No candidate may be awarded ACTC status unless they have met all eligibility and assessment criteria, as adopted by the ICF Credentials and Standards Global Board of Directors, and in effect at the time of the candidate's application.

Reciprocity

ICF does not accept as equivalent credentials/certifications awarded by other organizations or entities. No candidate may be awarded an ICF credential unless they have met all eligibility and assessment criteria currently in place, as adopted by the ICF Credentials and Standards Global Board of Directors, and in effect at the time of the candidate's application.

Verification of Credential Status

The ICF website will, upon inquiry by anyone, provide information to verify whether a specific person is currently credentialed or not. The names of ICF credential-holders and their credential status are not considered confidential and will be published by ICF.

Information relating to an individual's application status, whether an individual has taken the exam, and score information is confidential and will not be released.

Use of Credential Mark/Logo/Badge

The credential name, designation, acronym, logo, badge, or mark may only be used by individuals who hold the credential, who remain in good standing with ICF, and who strictly adhere to and maintain published standards and requirements. No credential-holder may use, sell, license, transfer, or otherwise authorize any third party to use the credential name, designation, acronym, logo, badge, or mark without the prior written authorization from ICF.

Acceptable Usage

The credential name, designation, acronym, mark, badge, or logo shall be used only in connection with the credential held by the individual and shall not be used in conjunction with any other coaches or coach programs. The designation and logos must be used in such a way that they indicate approval of only the individual credential-holder and not an organization or business as a whole. For example, on a website, the designation and logo may be used only where the approved credential-holder is described, not where the organization as a whole is described.

The credential name, logos, badges, or marks may not be revised, altered, or amended in any manner by the credential-holder or any third party. This prohibition against alternation or misuse includes, but is not limited to, cropping of the name, logo, badge, or mark; bleeding off a page; screening behind text; and tilting or skewing of the marks/logos in any way. In every case, the names, acronyms, designations, marks, badges, and logos must be printed in full strength, with no screens or “watermark” effects. Logos, badges, and marks shall at all times be used intact, with no alteration, substitution, isolation, or highlighting of any particular feature.

The credential designation shall at all times be displayed against a neutral background only so that it does not conflict graphically or interfere with readability or recognition of the designation, logo, badge, or mark. Nor shall the name, acronym, designation, logo, badge, or mark be displayed on patterned backgrounds incorporating dots, wavy lines, or other designs, etc.

The credential name, acronym, designation, logo, badge, and mark incorporate specific coded colors within the Pantone Matching System. The ICF selected and designated color scheme is mandatory and shall not be altered or substituted in any way. No other colors may be used, substituted, or incorporated into the logo, badge, or mark.

Use of the credential name, designation, acronym, logo, badge, or mark is exclusively limited to professional use on materials promoting the approved credential-holder, including:

- Promotional and marketing literature, brochures, pamphlets, business cards or folders.
- Advertisements of any type or nature.
- Websites.
- Print, digital, or photographic media.

Use in connection with any other form of publication or documentation shall be permitted only upon written authorization and approval by ICF.

Any ICF credential-holder who loses or has their ICF status suspended for any reason, including, but not limited to, failure to adhere to these usage standards or the applicable ICF credential-holder requirements, shall immediately discontinue all use of the credential name, designation, acronym, logo, badge, or mark, and shall not renew use of the same until their status has been restored in full.

Violations of Usage

Any unauthorized or unapproved use or alteration of the credential name, acronym, designation, logo, badge, or mark shall result in termination and loss of the individual's ICF credential.

Changes to the ICF Credentialing Program

ICF Credentials and Standards reserves the right to change the standards, policies, procedures, application, fees, and/or eligibility requirements for the ICF credentialing process at any time. Any changes will be posted to the ICF website and shared through direct email communications in compliance with the ICF Privacy Policy. This guide will be updated periodically to reflect changes. Please check the ICF website to be sure you are using the most recent version of the guide.

Appendix B: Code of Ethics

The International Coaching Federation (ICF) Code of Ethics is composed of five (5) main parts:

1. Introduction
2. Key Definitions
3. ICF Core Values and Ethical Principles
4. Ethical Standards
5. Pledge

1. Introduction

The ICF Code of Ethics describes the core values of the International Coaching Federation (ICF Core Values), ethical principles and ethical standards of behavior for all ICF Professionals (see definitions). Meeting these ICF ethical standards of behavior is the first of the ICF core coaching competencies (ICF Core Competencies) – “Demonstrates ethical practice: understands and consistently applies coaching ethics and standards.”

The ICF Code of Ethics serves to uphold the integrity of ICF and the global coaching profession by:

- Setting standards of conduct consistent with ICF Core Values and ethical principles.
- Guiding ethical reflection, education and decision-making.
- Adjudicating and preserving ICF coach standards through the ICF Ethical Conduct Review (ECR) process.
- Providing the basis for ICF ethics training in ICF-accredited training programs.

The ICF Code of Ethics applies when ICF Professionals represent themselves as such, in any kind of coaching-related interaction. This is regardless of whether a coaching relationship (see definitions) has been established. This Code articulates the ethical obligations of ICF Professionals who are acting in their different roles as coach, coach supervisor, mentor coach, trainer or student coach-in-training, or serving in an ICF Leadership role, as well as Support Personnel (see definitions).

Although the Ethical Conduct Review (ECR) process is only applicable to ICF Professionals, as is the Pledge, the ICF Staff are also committed to ethical conduct and the Core Values and Ethical Principles that underpin this ICF code of ethics. The challenge of working ethically means that members will inevitably encounter situations that require responses to unexpected issues, resolution of dilemmas and solutions to problems. This Code of Ethics is intended to assist those persons subject to the Code by directing them to the variety of ethical factors that may need to be taken into consideration and helping to identify alternative ways of approaching ethical behavior.

ICF Professionals who accept the Code of Ethics strive to be ethical, even when doing so involves making difficult decisions or acting courageously.

- Support Personnel - the people who work for ICF Professionals in support of their Clients.
- Systemic equality - gender equality, race equality and other forms of equality that are institutionalized in the ethics, core values, policies, structures, and cultures of communities, organizations, nations and society.

3. ICF Core Values and Ethical Principles

The ICF Code of Ethics is based on the ICF Core Values ([link](#)) and the actions that flow from them. All values are equally important and support one another. These values are aspirational and should be used as a way to understand and interpret the standards. All ICF Professionals are expected to showcase and propagate these Values in all their interactions.

4. Ethical Standards

The following ethical standards are applied to the professional activities of ICF Professionals:

Section I – Responsibility to Clients

As an ICF Professional, I:

1. Explain and ensure that, prior to or at the initial meeting, my coaching Client(s) and Sponsor(s) understand the nature and potential value of coaching, the nature and limits of confidentiality, financial arrangements, and any other terms of the coaching agreement.
2. Create an agreement / contract regarding the roles, responsibilities and rights of all parties involved with my Client(s) and Sponsor(s) prior to the commencement of services.
3. Maintain the strictest levels of confidentiality with all parties as agreed upon. I am aware of and agree to comply with all applicable laws that pertain to personal data and communications.
4. Have a clear understanding about how information is exchanged among all parties involved during all coaching interactions.

5. Have a clear understanding with both Clients and Sponsors or interested parties about the conditions under which information will not be kept confidential (e.g., illegal activity, if required by law, pursuant to valid court order or subpoena; imminent of likely risk of danger to self or others; etc.). Where I reasonably believe one of the above circumstances is applicable, I may need to inform appropriate authorities.
6. When working as an Internal Coach, manage conflicts of interest or potential conflicts of interest with my coaching Client(s) and Sponsor(s) through coaching agreement(s) and ongoing dialogue. This should include addressing organizational roles, responsibilities, relationships, records, confidentiality and other reporting requirements.
7. Maintain, store and dispose of any records, including electronic files and communications, created during my professional interactions in a manner that promotes confidentiality, security and privacy, and complies with any applicable laws and agreements. Furthermore, I see to make proper use of emerging and growing technological developments that are being used in coaching services (technology-assisted coaching services) and to be aware of how various ethical standards apply to them.
8. Remain alert to indications that there might be a shift in the value received from the coaching relationship. If so, make a change in the relationship or encourage the Client(s) / Sponsor(s) to seek another coach, seek another professional or use a different resource.
9. Respect all parties' right to terminate the coaching relationship at any point for any reason during the coaching process subject to the provisions of the agreement.
10. Am sensitive to the implications of having multiple contracts and relationships with the same Client(s) and Sponsor(s) at the same time in order to avoid conflict of interest situations.
11. Am aware of and actively manage any power or status difference between the Client and me that may be caused by cultural, relational, psychological or contextual issues.
12. Disclose to my Clients the potential receipt of compensation and other benefits I may receive for referring my clients to third parties.
13. Assure consistent quality of coaching regardless of the amount or form of agreed compensation in any relationship.

Section II – Responsibility to Practice and Performance

As an ICF Professional, I:

14. Adhere to the ICF Code of Ethics in all my interactions. When I become aware of a possible breach of the Code by myself or I recognize unethical behavior in another ICF Professional, I respectfully raise the matter with those involved. If this does not resolve the matter, I refer to a formal authority (e.g., ICF Staff) for resolution.
15. Require adherence to the ICF Code of Ethics by all Support Personnel.
16. Commit to excellence through continued personal, professional and ethical development.
17. Recognize my personal limitations or circumstances that may interfere with my coaching performance or my professional coaching relationships. I will reach out for support to determine the action to be taken and, if necessary, promptly seek relevant professional guidance. This may include suspending or terminating my coaching relationship(s).
18. Resolve any conflict of interest or potential conflict of interest by working through the issue with relevant parties, seeking professional assistance, or suspending temporarily or ending the professional relationship.
19. Maintain the privacy of ICF Members and use the ICF Member contact information (email addresses, telephone numbers, and so on) only as authorized by ICF or the ICF Member.

23. Hold responsibility for being aware of and setting clear, appropriate and culturally sensitive boundaries that govern interactions, physical or otherwise.

27. Am honest and work within recognized scientific standards, applicable subject guidelines and boundaries of my competence when conducting and reporting research.
28. Am aware of my and my clients' impact on society. I adhere to the philosophy of "doing good" versus "avoiding bad."

5. The Pledge of Ethics of the ICF Professional

As an ICF Professional, in accordance with the Standards of the ICF Code of Ethics, I acknowledge and agree to fulfill my ethical and legal obligations to my coaching Client(s), Sponsor(s), colleagues and to the public at large. If I breach any part of the ICF Code of Ethics, I agree that ICF in its sole discretion may hold me accountable for so doing.
