Take Me Home, Country Roads

Almost heaven, West Virginia
Blue Ridge Mountains, Shenandoah River
Life is old there, older than the trees
Younger than the mountains, growin'
like a breeze

Country roads, take me home
To the place I belong
West Virginia, mountain mama
Take me home, country roads

All my memories gather 'round her
Miner's lady, stranger to blue water
Dark and dusty, painted on the sky
Misty taste of moonshine, teardrop in
my eye

Country roads, take me home
To the place I belong
West Virginia, mountain mama
Take me home, country roads

I hear her voice in the mornin' hour,
she calls me
The radio reminds me of my home far
away
Drivin' down the road, I get a feelin'
That I should've been home
yesterday, yesterday

Country roads, take me home
To the place I belong
West Virginia, mountain mama
Take me home, country roads

Country roads, take me home
To the place I belong
West Virginia, mountain mama
Take me home, country roads

Take me home, (down) country roads
Take me home, (down) country roads

Take it Easy

Well, I'm running down the road tryin'
to loosen my load
I've got seven women on my mind
Four that wanna own me, two that
wanna stone me
One says she's a friend of mine

Take It easy, take it easy
Don't let the sound of your own
wheels drive you crazy
Lighten up while you still can
Don't even try to understand
Just find a place to make your stand
and take it easy

Well, I'm a standing on a corner in
Winslow, Arizona
And such a fine sight to see
It's a girl, my Lord, in a flatbed Ford
Slowin' down to take a look at me

Take It easy, take it easy
Don't let the sound of your own
wheels drive you crazy
Lighten up while you still can
Don't even try to understand
Just find a place to make your stand
and take it easy

Come on, baby, don't say maybe
I gotta know if your sweet love is
gonna save me
We may lose, and we may win
Though we will never be here again
So open up, I'm climbin' in
So take it easy

Well, I'm running down the road trying
to loosen my load
Got a world of trouble on my mind
Lookin' for a lover who won't blow my
cover
She's so hard to find

[Chorus]
Take it easy, take it easy
Don't let the sound of your own
wheels make you crazy
Come on baby, don't say maybe
I gotta know if your sweet love is
gonna save me

[Outro]
(Oh-oh-oh, oh-oh-oh, oh-oh-oh, oh-
oh-oh
Oh-oh-oh, oh-oh-oh, oh-oh-oh, oh-oh-
oh
Oh-oh-oh, oh-oh-oh)
Oh, we got it easy
We oughta take it easy

On The Road Again

On the road again
Just can't wait to get on the road
again
The life I love is making music with
my friends

And I can't wait to get on the road
again
On the road again
Goin' places that I've never been
Seein' things that I may never see
again
And I can't wait to get on the road
again

On the road again
Like a band of gypsies we go down the
highway
We're the best of friends
Insisting that the world keep turning
our way
And our way
Is on the road again
I just can't wait to get on the road
again
The life I love is makin' music with my
friends
And I can't wait to get on the road
again

On the road again
Like a band of gypsies we go down the
highway
We're the best of friends
Insisting that the world keep turning
our way
And our way
Is on the road again
Just can't wait to get on the road
again
The life I love is makin' music with my
friends
And I can't wait to get on the road
again – And I can't wait to get on the
road again...

One – U2

Is it getting better?
Or do you feel the same?
Will it make it easier on you now?
You got someone to blame

You say, one love, one life
When it's one need in the night
One love, we get to share it
Leaves you baby if you don't care for it

Did I disappoint you?
Or leave a bad taste in your mouth?
You act like you never had love
And you want me to go without

Well it's too late tonight
To drag the past out into the light
We're one but we're not the same
We get to carry each other, carry each other
One!

Have you come here for forgiveness?
Have you come to raise the dead?
Have you come here to play Jesus?
To the lepers in your head

Did I ask too much? More than a lot
You gave me nothin' now it's all I got

Did I ask too much? More than a lot
You gave me nothin' now it's all I got

We're one but we're not the same
Well we hurt each other then we do it again

You say love is a temple, love a higher law

Love is a temple, love the higher law
You ask me to enter but then you make me crawl

And I can't be holdin' on to what you got
When all you got is hurt

One love, one blood
One life, you got to do what you should
One life, with each other
Sisters, brothers

One life but we're not the same
We get to carry each other, carry each other
One
One

Row, Row, Row your Boat

Row, row, row your boat
Gently down the stream
Merrily merrily, merrily, merrily
Life is but a dream

Row, row, row your boat
Gently down the stream
Merrily merrily, merrily, merrily
Life is but a dream

Row, row, row your boat
Gently down the stream
Merrily merrily, merrily, merrily
Life is but a dream

Row, row, row your boat
Gently down the stream
Merrily merrily, merrily, merrily
Life is but a dream

Twinkle Twinkle, Little Star

Twinkle, twinkle, little star,
How I wonder what you are.
Up above the world so high,
Like a diamond in the sky.

When the blazing sun is gone,
When he nothing shines upon,
Then you show your little light,
Twinkle, twinkle, all the night.

How I wonder what you are.

You are my Sunshine

You are my sunshine
My only sunshine
You make me happy
When skies are gray
You'll never know, dear
How much I love you
Please don't take
My sunshine away

The other night, dear
As I lay sleeping
I dreamed I held you
In my arms
When I awoke, dear
I was mistaken
So I hung my head and I cried

You are my sunshine
My only sunshine
You make me happy
When skies are gray
You'll never know, dear
How much I love you
Please don't take
My sunshine away

Rainbow – Jack Johnson

Well I woke up this morning
A rainbow filled the sky
Yes I woke up this morning
A rainbow filled the sky
That was god telling me
Everything's gonna be alright

We so long good friends
When will we meet again?
I said so long good friends
When will we meet again?
Well I don't know, I don't know
But I guess I'll see you then

Well I'm gonna pack my old guitar
Move on down the road
I'm gonna pack my old guitar, now
Move on down the road (where are
you gonna go?)
Oh, where I go I don't know
But I guess I got's to go

Well I woke up this morning
A rainbow filled the sky
Well I woke up this morning
A rainbow filled the sky
That was god telling me
Everything, everything's gonna be
alright

Lovesong The Cure

Whenever I'm alone with you
You make me feel like I am home
again

Whenever I'm alone with you
You make me feel like I am whole
again

[Verse 2]

Whenever I'm alone with you
You make me feel like I am young
again
Whenever I'm alone with you
You make me feel like I am fun again

[Chorus]

However far away
I will always love you
However long I stay
I will always love you
Whatever words I say
I will always love you
I will always love you

[Interlude]

(Fly me to the moon)

[Guitar Solo]

[Verse 3]

Whenever I'm alone with you
You make me feel like I am free again
Whenever I'm alone with you
You make me feel like I am clean
again

[Chorus]

However far away
I will always love you
However long I stay
I will always love you
Whatever words I say

I will always love you

I will always love you

Purple Rain – Prince

I never meant to cause you any sorrow
I never meant to cause you any pain
I only wanted one time to see you
laughing

I only want to see you laughing
In the purple rain

Purple rain, purple rain
Purple rain, purple rain
Purple rain, purple rain
I only want to see you bathing
In the purple rain

I never wanted to be your weekend lover
I only wanted to be some kind of friend,
hey
Baby, I could never steal you from
another
It's such a shame our friendship had to
end

Purple rain, purple rain
Purple rain, purple rain
Purple rain, purple rain
Only wanted to see you underneath the
purple rain

Honey, I know, I know, I know times are
changing
It's time we all reach out for something
new
That means you too
You say you want a leader
But you can't seem to make up your mind

And I think you better close it
And let me guide you to the purple rain

Purple rain, purple rain, yeah
Purple rain, purple rain
If you know what I'm singing about up
here
Come on, raise your hand
Purple rain, purple rain
I only want to see you
Only want to see you in the purple rain

Blowing in the Wind

How many roads must a man walk down
Before they call him a man?
How many seas must a white dove sail
Before she sleeps in the sand?

How many times must the cannonballs fly
Before they're forever banned?
The answer, my friend, is blowing in the wind
The answer is blowing in the wind

How many years must a mountain exist
Before it is washed to the sea?
How many years can some people exist
Before they're allowed to be free?

How many times can a man turn his head
And pretend that he just doesn't see?
The answer, my friend, is blowing in the wind
The answer is blowing in the wind

How many times must a man look up
Before he can see the sky?
How many ears must one man have
Before he can hear people cry?

How many deaths will it take till he knows
That too many people have died?
The answer, my friend, is blowing in the wind
The answer is blowing in the wind

I Won't Back Down – Tom Petty

Well, I won't back down
No I won't back down
You could stand me up at the gates of Hell
But I won't back down

No I'll stand my ground
Won't be turned around
And I'll keep this world from draggin' me down
Gonna stand my ground
And I won't back down

Hey baby
There ain't no easy way out (I won't back down)
Hey I will stand my ground
And I won't back down

Well, I know what's right
I got just one life
In a world that keeps on pushin' me around
But I'll stand my ground
And I won't back down

Hey baby
There ain't no easy way out (I won't back down)
Hey I will stand my ground (I won't back down)
And I won't back down

Hey baby
There ain't no easy way out (I won't back down)
Hey I won't back down

Hey baby
There ain't no easy way out (I won't back down)
Hey I will stand my ground (I won't back down)
And I won't back down (I won't back down)
No I won't back down

Michael Row The Boat Ashore

Michael row the boat ashore, hallelujah

Michael row the boat ashore, hallelujah
Sister help to trim the sail, hallelujah
Sister help to trim the sail, hallelujah

The river is deep and the river is wide, hallelujah

Green pastures on the other side, hallelujah

Michael row the boat ashore, hallelujah

Michael row the boat ashore, hallelujah
Sister help to trim the sail, hallelujah
Sister help to trim the sail, hallelujah

Jordan's river is chilly and cold, hallelujah

Chills the body but not the soul, hallelujah

Michael row the boat ashore, hallelujah

Michael row the boat ashore, hallelujah
Sister help to trim the sail, hallelujah
Sister help to trim the sail, hallelujah

The river is deep and the river is wide, hallelujah

Milk and honey on the other side, hallelujah

Michael row the boat ashore, hallelujah

Michael row the boat ashore, hallelujah
Sister help to trim the sail, hallelujah
Sister help to trim the sail, hallelujah

This Land Is Your Land

This land is your land
This land is my land
From the Californias to the New York island
From the redwood forests

To the gulf stream waters
This land was made for you and me.
As i went walking
That ribbon of highway

I saw above me that endless skyway
I saw below me that golden valley
This land was made for you and me
I rode and rambled

And followed my footsteps
Through the sparkling sands of
Her diamond deserts
All around me

A voice was sounding
This land was made for you and me
When the sun comes shining
As i was strolling

And the wheatfields waving
The dustclouds rolling
A voice was chanting
As the fog was lifting

This land was made for you and me
This land is your land
This land is my land
From california to the New York islands

From the redwood forests
To the gulf stream waters
This land was made for you and me
When i was strolling

The wheatfields waving
The dustclouds rolling
A voice was chanting
As the fog was lifting
This land was made for you and me.

If I had a Hammer

If I had a hammer
I'd hammer in the morning
I'd hammer in the evening
All over this land
I'd hammer out danger
I'd hammer out a warning
I'd hammer out love between
My brothers and my sisters, ah-ah
All over this land

If I had a bell
I'd ring it in the morning
I'd ring it in the evening
All over this land
I'd ring out danger
I'd ring out a warning
I'd ring out love between
My brothers and my sisters, ah-ah
All over this land

If I had a song
I'd sing it in the morning
I'd sing it in the evening
All over this world
I'd sing out danger
I'd sing out a warning
I'd sing out love between
My brothers and my sisters ah-ah
All over this land

I got a hammer
And I've got a bell
And I've got a song to sing
All over this land
It's the hammer of justice
It's the bell of freedom
It's the song about love between
My brothers and my sisters
All over this land
All over this land
All over this land
All over this land
All over this land
All over this land
All over this land

We Shall Overcome

We shall overcome,
We shall overcome,
We shall overcome, some day.

Oh, deep in my heart,
I do believe
We shall overcome, some day.

We'll walk hand in hand,
We'll walk hand in hand,
We'll walk hand in hand, some day.

Oh, deep in my heart,
I do believe
We shall overcome, some day.

We shall live in peace,
We shall live in peace,
We shall live in peace, some day.

Oh, deep in my heart,
I do believe
We shall overcome, some day.

We are not afraid,
We are not afraid,
We are not afraid, today

Oh, deep in my heart,
I do believe
We shall overcome, some day.

The whole wide world around
The whole wide world around
The whole wide world around some day

Oh, deep in my heart,
I do believe
We shall overcome, some day.

Puff the Magic Dragon

Puff, the magic dragon, lived by the sea
And frolicked in the autumn mist, in a
land called Honah Lee
Little Jackie Paper loved that rascal Puff
And brought him strings, and sealing
wax, and other fancy stuff

Oh, Puff, the magic dragon lived by the
sea
And frolicked in the autumn mist, in a
land called Honah Lee
Puff, the magic dragon, lived by the sea
And frolicked in the autumn mist, in a
land called Honah Lee

Together they would travel on a boat
with billowed sail
Jackie kept a lookout perched on Puff's
gigantic tail
Noble kings and princes would bow
whenever they came
Pirate ships would lower their flags
when Puff roared out his name

Oh, Puff, the magic dragon lived by the
sea
And frolicked in the autumn mist, in a
land called Honah Lee
Puff, the magic dragon, lived by the sea
And frolicked in the autumn mist, in a
land called Honah Lee

A dragon lives forever, but not so little
boys
Painted wings and giant's rings make
way for other toys
One gray night it happened, Jackie
Paper came no more
And Puff, that mighty dragon, he ceased
his fearless roar

His head was bent in sorrow, green
scales fell like rain
Puff no longer went to play along the
cherry lane
Without his lifelong friend, Puff could
not be brave

So Puff, that mighty dragon, sadly
slipped into his cave

Oh, Puff, the magic dragon lived by the sea
And frolicked in the autumn mist, in a land
called Honah Lee
Puff, the magic dragon, lived by the sea
And frolicked in the autumn mist, in a land
called Honah Lee

Let It Be

When I find myself in times of trouble,
Mother Mary comes to me
Speaking words of wisdom, let it be
And in my hour of darkness she is
standing right in front of me
Speaking words of wisdom, let it be

Let it be, let it be, let it be, let it be
Whisper words of wisdom, let it be

And when the broken hearted people
living in the world agree
There will be an answer, let it be
For though they may be parted, there is
still a chance that they will see
There will be an answer, let it be

Let it be, let it be, let it be, let it be
There will be an answer, let it be

Let it be, let it be, let it be, let it be
Whisper words of wisdom, let it be

Let it be, let it be, let it be, let it be
Whisper words of wisdom, let it be, be

And when the night is cloudy there is still
a light that shines on me
Shinin' until tomorrow, let it be
I wake up to the sound of music, Mother
Mary comes to me
Speaking words of wisdom, let it be

And let it be, let it be, let it be, let it be
Whisper words of wisdom, let it be

And let it be, let it be, let it be, let it be
Whisper words of wisdom, let it be

Let there be Peace on Earth

Let there be peace on earth
And let it begin with me
Let There Be Peace on Earth
The peace that was meant to be

With God as our Father
Brothers all are we
Let me walk with my brother
In perfect harmony.

Let peace begin with me
Let this be the moment now.

With ev'ry step I take
Let this be my solemn vow
To take each moment and live
Each moment in peace eternally
Let there be peace on earth
And let it begin with me

Morning Has broken by Cat Stevens

Morning has broken like the first morning
Blackbird has spoken like the first bird
Praise for the singing, praise for the morning
Praise for them springing fresh from the world

Sweet the rains new fall, sunlit from Heaven
Like the first dewfall on the first grass
Praise for the sweetness of the wet garden
Sprung in completeness where His feet pass

Mine is the sunlight, mine is the morning
Born of the one light, Eden saw play
Praise with elation, praise every morning
God's recreation of the new day

Morning has broken like the first morning
Blackbird has spoken like the first bird
Praise for the singing, praise for the morning
Praise for them springing fresh from the world

Imagine by John Lennon

Imagine there's no heaven
It's easy if you try
No hell below us
Above us, only sky

Imagine all the people
Livin' for today
Ah

Imagine there's no countries
It isn't hard to do
Nothing to kill or die for
And no religion, too

Imagine all the people
Livin' life in peace
You

You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will be as one

Imagine no possessions
I wonder if you can
No need for greed or hunger
A brotherhood of man

Imagine all the people
Sharing all the world
You

You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will live as one

Still haven't Found what I am Looking for

I have climbed highest mountains
I have run through the fields
Only to be with you
Only to be with you
I have run
I have crawled
I have scaled these city walls
These city walls
Only to be with you

But I still haven't found what I'm looking for
But I still haven't found what I'm looking for

I have kissed honey lips
Felt the healing in her fingertips
It burned like fire
This burning desire

I have spoke with the tongue of angels
I have held the hand of a devil
It was warm in the night
I was cold as a stone

But I still haven't found what I'm looking for
But I still haven't found what I'm looking for

I believe in the kingdom come
Then all the colors will bleed into one
Bleed into one
But yes I'm still running

You broke the bonds
And you loosed the chains
Carried the cross
Of my shame
Oh my shame
You know I believe it

But I still haven't found what I'm looking for
But I still haven't found what I'm looking for
But I still haven't found what I'm looking for
But I still haven't found what I'm looking for

What a Wonderful World

I see trees of green
Red roses too
I see them bloom
For me and you
And I think to myself
What a wonderful world

I see skies of blue
And clouds of white
The bright blessed day
The dark sacred night
And I think to myself
What a wonderful world

The colors of the rainbow
So pretty in the sky
Are also on the faces
Of people going by
I see friends shaking hands
Saying how do you do
They're really saying
I love you

I hear babies cry
I watch them grow
They'll learn much more
Than I'll ever know
And I think to myself
What a wonderful world
Yes, I think to myself
What a wonderful world

The Circle Game – Joni Mitchell

Yesterday a child came out to wander
Caught a dragonfly inside a jar
Fearful when the sky was full of thunder
And tearful at the falling of a star

And the seasons, they go round and round
And the painted ponies go up and down
We're captive on the carousel of time
We can't return, we can only look
Behind, from where we came
And go round and round and round, in the
circle game

Then the child moved ten times round the
seasons
Skated over ten clear frozen streams
Words like, "When you're older" must
appease him
And promises of someday make his
dreams

And the seasons, they go round and round
And the painted ponies go up and down
We're captive on the carousel of time
We can't return, we can only look
Behind, from where we came
And go round and round and round, in the
circle game

16 springs and 16 summers gone now
Cartwheels turn to car wheels through the
town
And they tell him, "Take your time, it
won't be long now
'Til you drag your feet to slow the circles
down"

And the seasons, they go round and round
And the painted ponies go up and down
We're captive on the carousel of time
We can't return, we can only look
Behind, from where we came
And go round and round and round, in the
circle game

So the years spin by and now the boy is
20

Though his dreams have lost some
grandeur coming true
There'll be new dreams, maybe better
dreams and plenty
Before the last revolving year is through

And the seasons, they go round and round
And the painted ponies go up and down
We're captive on the carousel of time
We can't return, we can only look
Behind, from where we came
And go round and round and round, in the
circle game
And go round and round and round, in the
circle game

I Shall Be Released By Bob Dylan

They say everything can be replaced
They say every distance is not near
So I remember every face
Of every man who put me here

I see my light come shining
From the west down to the east
Any day now, any day now
I shall be released

They say every man needs protection
They say that every man must fall

Yet I swear I see my reflection
Somewhere so high above this wall

Now, yonder stands a man in this lonely
crowd

A man who swears he's not to blame
All day long I hear him shouting so loud
Just crying out that he was framed

I see my light come shining
From the west down to the east
Any day now, any day now
I shall be released
